ABSTRACT

This list of materials provides recommendations to counselors and guidance personnel for the purchase of materials for pupil personnel services programs in the Department of Defense Dependents Schools (DDDS). The listing, based on staff reviews in each of the six DDDS regions, is divided into 10 content areas: (1) assessment and evaluation; (2) group guidance, mental health and values; (3) study habits and student teacher relations; (4) classroom management; (5) counseling for gifted and handicapped students; (6) family relations; (7) parenting; (8) career information; (9) college information; and (10) drug and alcohol abuse. The materials are organized alphabetically in "highly recommended" and "recommended" categories and include the title, publisher, type, stock or catalogue number and cost. (JAC)

PREFACE

The following listing provides recommendations for the purchase of materials for Pupil Personnel Services programs in the Department of Defense Dependents Schools. The recommended listing is a result of extensive reviews by committees of Pupil Personnel staff in each of the six regions.

The lists of materials are divided into ten content areas as follows:

1. Assessment and Evaluation
2. Group Guidance, Mental Health and Values
3. Study Habits, Student-Teacher Relations
4. Behavior and Classroom Management
5. Counseling Handicapped and Gifted & Talented
6. Parent-Child Relations/Family
7. Parenting
8. Career and Occupational Information
9. College Admission and Financial Aid Information
10. Drug and Alcohol Abuse for School Ages

In each content area the materials are organized alphabetically in "highly recommended" and "recommended" categories.

Although this listing is comprehensive, it is not all inclusive and staff members may consider other resources.

Anthony Cardinale
Director

Content Area: Assessment and Evaluation
